### SPECIAL PUBLIC NOTICE -

### FLOODING OF LOUISIANA RIVERS AND STREAMS

OCM has modified the Emergency Use Authorization procedures in response to anticipated flooding from the extreme high water on Louisiana rivers and streams. Any work undertaken as a result of this high water event should follow the procedures specified in the notice. Unless extended, the emergency procedures will expire February 15, 2016. Please view the notice [here](#).

*Coastit Notes is a publication of the Office of Coastal Management to inform permit applicants, the public and others of events and items that may impact them or their interaction with our office. This e-document is intended to improve customer service and awareness of OCM works and functions and includes announcements from all OCM divisions as issues arise.*
